CAREER OBJECTIVE

Dynamic and creative professional with a comprehensive background in Web Development and Graphic Design, seeking to apply my skills in a challenging and innovative environment. With a rich history of Web Development, complemented by a strong foundation in Graphic Design from the Art Institute of Jacksonville, I'm equipped to contribute effectively on digital media projects. My goal is to work with forward-thinking organizations and small businesses where I can blend my technical skills and creative vision to produce outstanding digital content and web apps. I'm passionate about creating engaging digital experiences and committed to staying abreast of the latest industry trends to deliver high-quality solutions.
